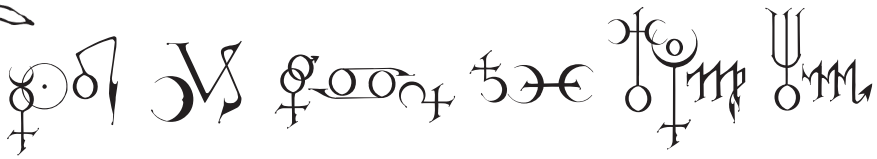
Martina



Field stone fireplace flickers crackles,
Streams ardent starlight sparkle,
Cathedral ceiling sunken room –
Framed memories corner loom.

Every guest to feel at home,
Some say you're heaven loaned –
Irresistible personal charm,
Strong soft radiant warm.

Never said too many times,
Deeds matter more than rhymes –
Empathetic mother's heart,
Leadership skills presentation arts.

Broken world spirit bleeding,
Children starving humanity pleading,
While men compete for money and goods –
Be our savior wish you would.
