Soft shadows bright sunlight,
Summer clouds billowing white,
Nest building time growing season –
Caring sister living reason.

Nurturing critical clear minded,
Lose your way she'll help you find it –
Muse in a world of plastic and chrome,
Sparkling swirl she calls home.

Mother of pearl business sense,
Insists on numbers the evidence –
Family priorities concrete deals,
Creative fiery river real.

Sees whats required to clean up the mess,
Altered human Consciousness –
Your leaderships what the world now needs,
Explain the direction basis our deeds.
