

# Nina

Willow cottonwood shades of teal,  
Lotus reflection/bridge to real –  
Leaves grasses cradle the picture,  
Milky Way Nile River mixture.

Day by day edging believable,  
Impossibilities to her mind conceivable –  
Communicative Universe / thoughtful home,  
Quark descendant not meant to be alone.

One to tell it like it is,  
Patient leader / business whiz –  
Echoes of everyone's favorite teacher,  
The oceans / cities / times beseech her.

Walls of galaxies / many worlds,  
In this one you see her heart's ensuired –  
Deliverance at fingertips / children a chance,  
All hinging on don't-count-the-cost dance.
