**S**he and the lightning from the sky,  
Up from down make the angels sigh –  
Mindful/decisive/golden dust,  
Trains of confidence non-stop trust.

**R**ain and sun embroidered time,  
Blanket/basket/bread and wine –  
Issues to talk about/book to read,  
Fun filled moments/born to lead.

**F**eeet in silvered riverbed sands,  
Wading forever hand in hand –  
Somewhere cupid's empty quiver,  
Shoulder deep shimmering river.

**h**er own person/her own timing,  
Very method the quarks harmonizing –  
Karmic justice/love uncompromised,  
When needs of the least of us prioritized.
