**S**pring thunderstorms, cascading greens,  
Your own idea what the picture means –  
Noisy nests, vulnerable hearts,  
Edenesque perennials performing arts.

**D**efinitive, easy going, unpredictable,  
Warm, feelingful, radically individual –  
Engaging with infinities life delivers,  
Tree planted by the River.

**N**ot gonna go along, simply do as told,  
A functioning moral compass, Motherly bold –  
Rainbow Lover unintimidated,  
Presence to make any Garden elated.

**C**reating a World not tried before,  
What words for opening Heaven's door –  
Relationships with Nature, One Another,  
As Earth our Home, Family each Other.
