Soaring falcon treetops reach,
Broad daylights uncommon breach –
Saviors view his family nest,
Unmistaken celestial guest.

Appreciates logic loves complications,
Concrete inescapable implications –
Sits down with you figures it out,
Creates time unravels doubt.

Go anywhere with a dad like him,
Catch in the yard moonlight swim –
Fleamarkets websites library stacks,
Skip rocks walk railroad tracks.

Takes you places there is no math,
Carpeted pine forest river paths –
Bringing to light his really real,
Where his hearts eternal seal.
