

# Tally

**W**arm glowing summer presence,  
Pure golden mother's essence,  
Sisterly wishes rain grown –  
Everywhere so at home.

**W**here'd you hide your delphinium hat,  
Your fairydust and all of that –  
Inside moonlight beneath the water,  
You're the ocean's magic daughter.

**Y**ou have to say it very clear –  
In your audience eyes of deer,  
On a beach the ocean breaking,  
Waves of you our hearts awaking.

**Y**ou've an important message to bring –  
In words the song meadowlarks sing,  
Field of vision love has in mind,  
Kinetic organic unchained kind.
