

ZORA

Summer sidewalk yellow flowers,
Sunbeam midst a morning shower –
Wrapped in surprises new days bring,
Meadowlark and robin sing.

Safe and warm in your cupped hand,
Caterpillar walks never neverland,
Raises eyes beholds your face –
Delicate beauty gathering grace.

Sky of blue world of green,
Hours of storytelling in-between –
Earthen roots celestial ceiling,
Loving home family feelings.

No better wish than with you grow,
Everyday more about you know –
Tell the truth and always play fair,
Happy end fairytale prepare.
