Mountain roads quiet places,
LIBRARIES / galleries / lasting graces –
Wandering symphonies / traveling time,
A RIVER RUNS THROUGH YOUR GARDEN MIND.

Stained scrolls / stone walls,
AWARE THE STORIES NIGHT RECALLS –
Code breaker / sign reader,
FLOWERS DON'T IMAGINE SWEETER.

All can see the path you took,
Thinking it through a thousand books –
Adding your lines to Life's love letter,
Adapting / editing / making it better.

Mother Earth wants you to know,
Her love for you like forests grow –
She hears you in the crashing sea,
Watches for you in mists might be.
