**B**ackyard morning after rain,  
Words approach deeds claim –  
Reasoned madness dearest hamlet,  
Hides beneath your well kept secret.

**F**lowered passages time translated,  
Growing needs anticipated,  
Gathered wisdom east and west –  
Everyday one long list.

**D**evoted father magical sage,  
Intellectual at ease on stage,  
Crystal droplets playful sun –  
Pointing the way to eden come.

**F**iercy emotions streak of bold,  
Revelations weep to be told –  
A new beginning a start again,  
To a nightmare say amen.
