

CHRIS

Children gather round the table,
Listen to his fabulous fables –
He's their favorite storyteller,
Mythic wanderer mirror dweller.

Cascading silver strands of light,
Mind adept grandmothers sight –
Linguistic galactic inhabitant,
Differentiating can from can't.

home he calls a sacred place,
Edge of time corner of space –
Heavens apparent incarnate heir,
Wishful thinker answered prayer.

Canvas awash in lavender paint,
Assertive savior reluctant saint –
The key in all is not to fear,
Magic as your being here.
