Past the field/past the ridge,  
Neath the trestle railroad bridge –  
Blue skies/deer vignette,  
Summer day RIVER SECRET.

Sandy banks/pebble treasures,  
Clear cool currents pleasure –  
Dry warm boulders/forget the clock,  
Dragonflies/tomorrow talk.

Pine fragrant afternoons,  
Burgundy sunset grassy dunes –  
Nest maker / story weaver,  
Paradise to disbeliever.

With you it's nothing if not real,  
Okay, so here's the deal –  
Got to be practical / the hours late,  
How far are we from the gate?
