

Charlie

Endless signs hyperspace fields,
Pathways codes rules deals –
Brings the mirror holds our hand,
Then to the classroom grandmothers land.

Loving logic meandering time,
Virtual interstate in his mind –
Sensitive compassionate points of view,
Proof of the greatness humans can do.

Writes it out keeps mental lists,
Consummate conversationalist –
Rather not hassle prefers forgiving,
Lifetime editing narrative of living.

Walking through invisible walls,
Googling texting making cell calls –
Hope he's watching in touch listening,
Here on Earth there's something missing.
