

Dale

Neither in woods nor fields lost,
No matter how words salad tossed,
Blogs texts changing MIRROR –
Confident multi-skilled messenger dear.

Arriving on time fantasy land,
Reader of patterns scratched in sand –
A teacher to both left and right,
Adaptive logical novel sight.

Changes his mind about Eternity,
Says Justice plays a part in destiny –
With a ribbon tied to a key,
Measures distance to Equality.

Owl on your moonlight flight,
Surely learned the children's plight –
At the crossroads of history and dream,
Tell us please what's Love to mean.
