

Faye

Warm, engaging, ultimate host,
Sisterly Heart holding Earth close –
Egalitarian, eschewing below or above,
Your Mind set on a Higher Love.

Being for Real, insisting on Honesty,
Seeing feeling in the science our ancestry –
Changing meanings, escaping the assigned,
A new relation with the World in Time.

Meanwhile rivulets, sheets of rain,
Shades, shadows, distorted panes –
No one knew when or how it might end,
What unlearned lesson the Storm intend.

Compassionate, generous, Realistic,
Forgiving Moon, accent Altruistic –
Planet your Home, All the Living your Family,
At the edge of a leap to a possible Humanity.
