

# Gabriella

**I**n another summer face to face,  
Kind and generous more than a trace –  
River conversation tablecloth triptych,  
Bread, cheese, fruit and wine picnic.

**Y**ou like getting down to business,  
Human fledglings / a soiled nest –  
Mother's sick / her temperatures rising,  
Endless hurt / no need emphasizing.

**S**ide by side this morning's blight,  
Children squealing fearless delight –  
Everywhere family / Wonder for real,  
Goodness unexpected / wedding bells peal.

**h**ow'd we get here / how do we mend,  
What possibility for our Love to trend –  
If you're ready for a whole new story,  
Buy a ticket that train bound for glory.
