Was a complex conversation,
Living unbelievable situation –
Every sign endgame morn,
Emerging focus avoid the storm.

Aware his roots his turquoise links,
Listens reads hands-on thinks,
Communicates adapts pays attention –
Can be stubborn one should mention.

Oft prayed it be allowed,
Heaven float down from the cloud –
Harps haloes angel choirs,
Breaking chains of signifiers.

Flower sure if willed we could,
Wealth serve the common good –
Saturn in Leo ever more clear,
Better leadership needed here.
