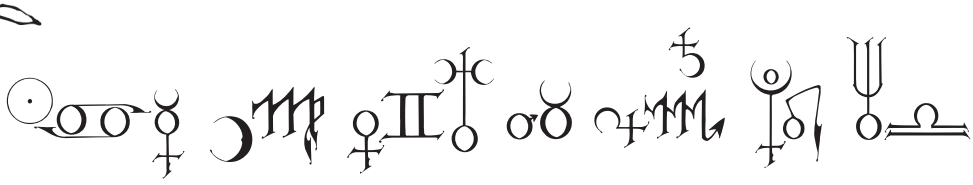
Mick



Swings slides children shouting,
Family gathering picnic outing –
Shy the sun yet nearing noon,
Feelingful mind worried moon.

Prayers whispered fingers crossed,
Faith in you he never lost –
Sign reader symbol maker,
Housekeeper earth caretaker.

Likes to travel inclined to roam,
Yet deep desire to be at home –
Penthouse showroom swamp juke joint,
Triangulation at inflection point.

Left a love note someone found,
Calling rose wonder bound –
As for what he's here to do,
Define create a timeless true.
