

Natalie

She takes you places summer roams,
AIRPORTS bookstores family home,
Quiet beaches coffeeshops –
CONVERSATION never stops.

Modern sensibility living art,
Adaptive spirit careful heart –
Warm feelingful river mind,
Museum loving thinking kind.

Maybe read or overheard,
NATURE sacred warworld absurd –
Good reason for her worry,
Understands beneath the story.

Detailed memory defining moments,
Turning points saturn comments –
Openness equality harmony fairness,
Got to be honest to pass her test.
