**C**loud spun bejeweled cape,  
Sky in evening summer escape –  
For just a time the world complete,  
Rooftop to cobblestone street.

**P**ast shop windows showcase lights,  
Dinner segue to Ravel and night –  
Presence / mystery / warmth / feeling,  
Daphnis and Chloé heaven appealing.

**W**ebs of thought / veins connection,  
White rose firelight inflection –  
Stretching / enfolding / shoreline mind,  
Family sensibilities eukaryotic kind.

**M**agic memory love to last,  
Moment chosen by the gold to cast –  
Not going to be easy / devil's deal,  
For Earth our home / a woman-safe real.
