

Susa

If no one else Venus noticed,
Half hidden pond open lotus –
Hushing rain a fairy forest,
Harboring songbirds tiny nests.

Backporch memories afternoon talk,
Somersault logic colored chalk –
Touching moments rebellious heart,
Pressed flowers sheets of art.

Exquisite recipes garden dishes,
Symphonic identity windstrewn wishes,
World gone mad but I digress –
Eleusinian field ancestress.

Clarity surely helps evolve,
Individuation each time involved –
Act III goddess again your turn,
Story morning meadows yearn.
