By the STARS a WRITER, WORDSMITH ways,
Complex metaphors, silk segues –
NARRATIVE ASSUMPTIONS carefully dissected,
Never alone, always connected.

Patient, ORGANIZED, RIVERS of years,
MORE than your fair share of TEARS –
Inclined to second thoughts, closer looks,
FAVORITE PAINTERS, COMPOSERS, FILMS, BOOKS.

AMOTHER'S WORRIES, a feelingful MIND,
You're the FOREVER STORYTELLING kind –
BROWSING posts, comments, substack quotes,
Everywhere SERIOUS compelling notes.

What's going on here defies verse,
Despite the fact that we've seen WORSE –
Successful networks require TRUTH,
Equality, LAW and the VOTING booth.
