

# Scott

**I**magine a day all things right,  
Children squeal jump with delight –  
Saturday morning after breakfast,  
Out on the deck picnic checklist.

**R**ound the table sisters brothers,  
Caring eyes aunts mothers,  
Life his family earth his nest –  
Lay your head upon his chest.

**L**iving offspring summer sun,  
Garden roots home spun –  
Organized practical business smart,  
Feelingful mind vulnerable heart.

**P**ine trees grasses stretch of beach,  
Growing reality fingertip reach –  
Saturn indicates it's clarity you need,  
Think for yourself let your love lead.
