

Samitha

Antique desktop post-modern pen,
Visiting the story once again –
Scarlet ribbon marking your place,
Venus helps you hear the case.

Garden minded wandering soul,
Labyrinth fields flowering knolls,
Rose gold tourmaline dextrous hands –
Barefoot through the summer sands.

Travelogue memoirs image-filled pages,
A teachers teacher classless ageless –
Responsible leadership all night long,
Multi-faceted morning song.

Up boulevards down narrow streets,
Whispered prayer and promise meet –
In this theatre there can be no plan,
Except play your part as best you can.
