Melted snowflakes RIVER wine,  
From up above the pine tree line –  
Cascading mountain boulders down,  
Made of TEAR drops all around.

Orchestrated timeless / reverence / bliss,  
Late one rainy midnight twist –  
Falling in love turns forever,  
Breaking out in fresh spring weather.

Compassion / sacrifice / a long tradition,  
Sacred spirit on a mission –  
Most believe she's got what it takes,  
Awaited prescription paradise make.

Presence the stars / sky / the sea,  
Pleading the case nest could be –  
Even as trumpets follow the thunder,  
Dearest reliable guardian wonder.
