YOURS the best homemade TORTILLAS,
STARTING POINT FOR QUESADILLAS –
Each guest brought a STORY TO TELL,
Some memory still serves them well.

TRUSTING their vignettes given words,
Invoke the reality hearts inferred –
STRUCK their themes / love in bold,
Intuitive / feelingful / newly told.

FIRST one foot then the other, you said,
Don't look down / only STRAIGHT ahead –
Think like Jesus / the way of Tao,
Every good thought in the Calabi-Yau.

RISKY walk the railroad trestle,
Each our demons alone to wrestle –
ACROSS and back / just making it through,
Each aware what together can do.
