

Gus

LISTENS the wind / studies clouds,
LIGHTNING sky rumbling shrouds,
FORESTS moan branches sway –
AIR uncommon heavens gray.

I NFORMED / intelligent / heroic kind,
SALVIFIC input perfectly timed,
FAIR / just / out-stretched hand –
PROPHETS' promise moon unplanned.

N EVER one to count the cost,
WHEN what's at stake can't be lost –
GALACTIC wings / cut glass crawl,
GATHERS every tear drop fall.

h OW'D it ever come to this,
GARDEN yearning human kiss,
EARTH needs ultra urgent –
MUST be the pattern emergent.
