Fragrant forest dream again,
Swan lake bouquet of zen,
Quiet the morning dew laden shore –
Aware what you came here for.

hearT of the matter thrush takes wing,
What we each thought another would bring –
Blossoms petals birthing time,
Water fish bread and wine.

Adrowning world cries the part,
Altruism sacrifice garden art –
Devoted enduring reflective sincere,
Compassion feeling endless tear.

Sweet savior mind and soul,
Stars say you own the role –
Change this nightmare into bliss,
Gifts glimpse heaven eternity this.
