

# KEIRA

**M**onet's Giverny / Albinoni's Adagio,  
Fragrant garden gate scenario –  
Green lilac rose sky blues,  
Alleluias choirs choose.

**W**onder stirs surprise attends,  
Roots awake / buds new again –  
In quiet orchards miracles bloom,  
Butterflies abandon last years cocoon.

**W**armth / ardor / a way with words,  
Possibilities your way assured –  
Sapphire memories silk sparks,  
Dark chocolate / cinnamon / Jeanne d'Arc.

**M**ornings burning forgotten song,  
Iris paradise world gone wrong –  
And now the twist the plot just took,  
What deus ex machina get us off the hook?
