

Marianne

Lotus flower river song,
Temple chimes all night long –
One to pay whatever price,
Forgive transgressions sacrifice.

Better than diamond necklace earrings,
Her sparkling love this savior brings –
Rainy days heavens adore,
Visions of the promised shore.

Crosses the room more like dances,
Mysterious her circumstances –
Intuitive mind musical heart,
Fairy dust healing arts.

Vivid rainbow heroic life,
In a time of toil and strife –
Job description: earthling reporter,
