

# Reba

**E**arly spring late morning rain,  
Scent somewhere a rainbow came –  
Magnolia open scilla bloom,  
Called for by the wind and moon.

**S**ea of words teardrop eyes,  
Possibilities yet to realize –  
Energetic soul compassionate mind,  
Gateway moment garden time.

**H**eaven bound beg steal borrow,  
Forgiveness comfort a loving tomorrow –  
Dreamweaver storytelling twilight,  
Paints dances cooks writes.

**W**onderstruck by encounters of nature,  
Herself a spark the awaited rapture –  
Confronting ignorance fear and worse,  
Snap her fingers could lift the curse.
