Free Jazz softens the fieldstone walls,
Formal table settings, night windows and all –
Garden hors d'oeuvres, culinary panache,
Pouilly-Fuissé, stuffed acorn squash.

Responsibility turned conversation,
Party talk exceeding expectation –
Word of mouth, reports, books, links,
Take away consensus a canyon drink.

Earth counts you among Her guests,
Sensually and intellectually much blest –
Practical thinker, beloved storyteller,
At dialogue and adaptation simply stellar.

Citing a myriad of inspiring narratives,
All with a similar golden rule imperative –
Writing the script means we're wholly capable,
Ending poverty, a World thought impossible.
