**F**ROM EARLIER THEIR Garden walk,  
Open ended morning talk –  
Snowdrops, Crocus, Fritillaria,  
Chopin nocturne piano aria.

**I**n an improbable crease in Time,  
Love based reason, Earthly rhyme –  
Quiet assertive, messaging eyes,  
Infinity in galactic disguise.

**S**weet, reserved, especially kind,  
Deeply rooted, imagistic mind –  
Song of sharing, trust, security,  
Radical narrative sensibility.

**W**hatever the storm, cool, undaunted,  
Just the agent the storyline wanted –  
Professor delivering the lesson needed,  
Two World Wars and still not heeded.
