

Enya

Her space alive a cradle of wishes,
Meaning possibility lotus kisses,
Trillium roots in starlight past –
Gatekeeper of a garden path.

Leaves and trees tell her story,
Choices made mix hope with glory –
A Love be brave changing adventure,
Nearing end of the overture.

Multi-dimensional message bringer,
How you wish her smile could linger –
Fire and air biologically involved,
Imagination rationally evolved.

Responsibility renews her call,
Beyond the signs tagged walls –
Night descending song birds gone,
Twill not be easy to bring the dawn.
