Silver of Moon with accent Star,
Daybreak beachcombing / Vernal memoir –
Garden Complexity / wave breaking Thought,
Pure Intuition that can't be bought.

In the COURTROOM Planet Earth,
Witness for the Species Worth –
Effortlessly Honest / cloud jumbled sky,
Lotus Blossom could also apply.

Mind opening healing sight,
Unexpected sensual delight –
Chocolate marquise / Chopin trending,
Finishing one project the next beginning.

Spontaneous song / streaming possibilities,
Loving the dappled, entangled asymmetries –
In spheres Ethical, Moral knowing,
SATURN suggests: Where from? Where going?
