

# SARAH

**O**n the cusp of real and writing,  
Home a Wonderland every nook inviting –  
Songbird mornings sunrays through,  
Improbable wishes can come true.

**C**ommunicative Spirit, rosebud Mind,  
Roots in Earth/ties that bind –  
Honesty informing every season,  
Logic, feeling, fact-checked reason.

**S**ummer lover family triptych,  
Concert moments/Stone Soul picnics –  
Respect is basic/Truth matters,  
Not up for tea at the famous Madhatter's.

**O**n everyone's lips, Saturn answers how,  
A Change to Kindness the World needs now –  
Feeding, sheltering, caring for Each Other,  
Loving the Earth and One Another.
