

XAVIER

They met again on a rainy day,
Rivulet windows their favorite café –
Informed, adaptable, practical thinking,
That something's wrong more than an inkling.

Down to Earth, multi-skilled,
Logical Heart / deeply willed –
As a communicator simply stellar,
Reader, writer, storyteller.

Aware smart fungi, talking trees,
The Planetary Biosphere, dancing bees –
Web of Life, the sacred Communion,
Heaven and Earth sister reunion.

Human Life inescapably political,
Mars and Saturn comment on the actual –
Objectivity and Leadership sure to be seen,
Clarifying goals and what the settings mean.
