

# Ann

**B**eneath a sky of falling star,  
Gathering wishes near and far –  
Curtain rises on Act Three,  
MOMA walls ancestral sea.

**S**unday afternoon raindrop jazz,  
All the wonder this world has –  
Opera passion composure grace,  
A little magic just in case.

**P**erfect host welcoming guests,  
Wanderers what matters Quest –  
In the story the butterfly told,  
de Beauvoir wise eagle bold.

**L**ibrary moon post-modern mirror,  
Quantum leaps tomorrow nears –  
While the chance before it's gone,  
What's behind this path we're on.
