DESERT southwest ruby sunset,
MOUNTAIN pass time a jet –
No escape the play unwritten,
PROTAGONIST with universe smitten.

TANGLED in dream codes signs,
FRACTAL strings finest of minds –
Reason and feeling magic mix,
Box of toys bag of TRICKS.

CURTAIN RISING now Act III,
Beyond contemplating infinity –
Judging narratives rationalizations,
Categories schemas explanations.

SATURN whispers next assignment,
Persuade the world a realignment –
Prove Earth worth the price,
Stop her fever melting ice.
