

Allan

Recurrent theme / fairytale cast,
Steel buildings / walls of glass –
While at the horizon lightning scrawls,
Ancestors near / coincidence calls.

Chipmunks / tiger lilies / he's even bolder,
Optimistically playful / best friend's shoulder –
Takes the long view / the scene in mind,
Deep in the groove / night entwined.

Astounding luck / a sense of direction,
Always a smile and one more question –
Suppose the Universe has personal meaning,
What Love's traces might we be gleaning?

Goals are abstract / real is real,
Will take more than words to break the seal –
Resourceful / connected / oh yes, and sweet,
All's needed to make the dream concrete.
