**E**nchanted heart elfin eyes,  
Quick with words strong wise –  
Able to hear justice calling,  
Leaves wishes stars falling.

**A** story slipped between the lines,  
Raindrops snowflakes frameless times –  
Hard at work where diamonds won't,  
Stepping stones of dos and don'ts.

**C**onvinced existence means Being together,  
Into all that can't be measured –  
Mystical secretive inspiring eloquent,  
Laser minded ineffable element.

**O**ne question however remains the same –  
Who's the savior / what's your name,  
To turn the cheek and not look back,  
To pay the price and not keep track?
