

BARRY

Lovestruck deer/ruby red leaves,
Unbelievable flirt and tease –
River pathway enchanted wood,
Twists only darkness could.

Self-reflective evolutionary,
Charming/cyber imaginary –
Masked/unpredictable/never named,
Inspiring clarity all the same.

In search hidden promised glade,
Distance time trivialities fade –
Hallowed dimensions fractal play,
Drama down from yesterday.

Earth sickened greed and fear,
What eye not a secret tear –
Final act/the deciding scene,
She entrusts him with her dream.
