**D**own that interstate into night,  
Serious mood strange delight,  
Radio static swirling snowflakes –  
Into the storm whatever it takes.

**P**assing time recounting stories,  
Wonder mystery sacred quarry –  
Witchy traveler passionate lover,  
Potent magic soon discover.

**A**utumn slipping into winter sleep,  
Road turns icy switchback steep –  
How she does it can't explain,  
Introspective unbelievable brain.

**C**hoosing to bear the anticipated,  
Radical to be so fated –  
If careful patient and organizes,  
Supernatural big surprises.
