Restless audience silent curtain,
Act's dénouement still uncertain –
Familiar characters none the same,
Star-crossed roles/Kafka names.

Complex plot the players improvise,
Belonging/kindness/desire surprise –
You emerge the defining scene,
Center stage what Love can mean.

Beauty to mystify/genius to enchant,
Charms/intelligence/confidante –
Breath of eternity though with a twist,
One an autumn morning kissed.

Open secret humans in trouble,
Desperate for saviors on the double –
Earth for certain not to forget,
Your pas de deux/your pirouette.
