

Donna

Feathered masks creature charade,
M^oments from midnight masquerade –
C^harm enchantment axiomatic,
Fⁱreworks music waxing dramatic.

Ocean eyes friendship deep,
Iⁿsights smiles play for keeps –
T^o the point mysterious,
W^ords unspoken serious.

Wonder only a garden bring,
S^weetness feeling sparkle sting –
M^oonlight charged fiery brain,
M^agic touch kiss like rain.

Forever and Hamptons intertwine,
A^s host calls out, "Revelation time."
Aⁿswering questions posed by Earth,
W^hat do we value what are we worth?
