Wan can you believe this scene,
Broken played out know what i mean?
Thread of luck that you're a friend –
No doubt to the very end.

FAR FROM PERFECT hey me too,
Working things out just like you –
Trying learning getting educated,
Fairness equality peace related.

You're the dramatic expressive type,
Goals reasoning that transcend hype –
Whether sitting quietly or running around,
Living autumn memories down.

SATURN suggests get it organized,
Plan the details edit revise,
While practicing patience understanding too –
Odds on something you could do.
