Archers joker traditions say,
Guide along the sacred way –
Luckily paths and memory crossed,
Finding again what once thought lost.

Ancient ancestors beginningless sky,
Forested river animal tie –
Meta-oriented goal motivated,
Enfolded time space dilated.

Pursuing dream searching choice,
Metaphorically discovering voice –
Never holds back never slows,
Meta dramatic everyone knows.

To the quick the point of history,
Heart of the matter our identity –
Winds bring change time deliverance,
Gifting alters the frame of reference.
