**G**lass sidewalks glistening streets,  
Hint of playful thoroughly discreet –  
Autumn night after rain charm,  
Promised date/warm arm in arm.

**N**ested narratives/fractal sights,  
An in-between imagination delights –  
Reason and feeling/myth and measure,  
Witchy fairytales/buried treasure.

**A**nimals tell you/children know,  
His encouraging kindness campfire glow –  
Sails ideas/searches dreams,  
Aims at raising high roof beams.

**B**ack at the theatre/last act pending,  
Power and money unthinkable ending –  
Unless the players hear Life's call,  
And prove willing to risk it all...
