

# Jannea

**T**uning strings turn violin choir,  
Darkness silence curtain conspire –  
Inklings segue to mountain stream,  
Vision one could think a dream.

**E**ndless mystery untold dimensions,  
Wonder delight trace apprehension –  
Discovering exploring beauty surprise,  
Politics through Pegasus' eyes.

**C**oincidence taught her honesty,  
Weeping willow her modesty,  
Venus Neptune innocence –  
Deer her understated elegance.

**S**pirits life forms gather round,  
Descendants of ups who gave to downs –  
To hear what story going to tell,  
Coin here at the wishing well.
