'Twas the masquerade versions vary,
In this one she's the mischievous fairy –
Out on the veranda with hare and hatter,
Discussing narratives why they matter.

Gossamer wings ebony veil,
Mysterious spirit spellbinding tale –
Gaudi streets worried trees,
Cadillacs kings bended knees.

Mother careful with her dreams,
Honest intelligent loving means –
Autumn mood mind unbound,
Pink sky orange sun going down.

Venus helped her reach the conclusion,
Pattern even in dripped paint confusion –
Most important your wish comes true,
If this night you make it through.
